

Well-Woman Screen

Price £630

Overview

Our Well-woman program Includes: Thin Prep PAP Smear test including HPV subtyping, High Vaginal swab, including, BV, Candida, Chlamydia, Gonorrhoea. Thyroid Function, VIT D, HE4 Ovarian Cancer, Liver and Kidney function, Full Blood Count and Biochemistry, Cholesterol, Iron blood tests and a Pelvic Ultrasound Scan.

Pelvic Ultrasound Examination

The ultrasound examination consists of transvaginal (through the vaginal wall) exam, for which you would require an empty bladder. Please note, there is an additional cost for either initial (£210) or an annual follow up (£105) consultation at the time of visit. All images and test results will be supplied to the patient via our patient portal or in hardcopy if requested at the end of the screening program.

Additional screening options

(can be added during your consultation as needed or if your wish)

CA153 (breast cancer marker)	£105.50
Breast Ultrasound scan	£180.00
Additional STD screen (HIV, Syphilis, Hep B, Hep C)	£156.50

Our Female Healthcare Philosophy

At the Women's Natural Health Clinic, we specialise in providing comprehensive natural reproductive, gynaecological, obstetric and general healthcare for females from adolescence to post-menopause. Our approach is to integrate techniques in both oriental and western medical diagnosis to formulate a naturally oriented treatment plan combining acupuncture, herbal medicine, nutritional therapy, exercise and lifestyle. Each treatment plan is tailored specifically to each individual woman maximizing results.

Please email us at enquiries@naturalgynae.com with questions, we are more than happy to provide any information via email that will assist you in deciding which treatment approach would be best for you.
